I would be happy to participate - I will be taking paternity leave soon, so the sooner the better for me.

Subject: IDEM's Proposed Order for ArcelorMittal

Hello, all.

Regarding IDEM's Order, Ryan and I think it would be beneficial (for the two of us, at least) to have a conference call with IDEM to discuss the particulars. Brian Wolff, Branch Chief of IDEM's Office of Water Quality/Surface Water, Operations & Enforcement offered to set it up. Please confirm that you'd want to be on the call, and I'll let Brian know.

Thanks.
